**VERBATIM REPORT OF SWEARING IN OF DELEGATES TO THE NATIONAL  
CONSTITUTIONAL CONFERENCE, HELD AT THE BOMAS OF KENYA ON 29<sup>TH</sup>  
MAY 2003**

**The meeting started at 10.00 am.**

**An Honourable Delegate (Prayer):** God our Father and Creator, you have given us a beautiful country Kenya, you have given us this country to live in, to work in and to serve you and serve our people. We ask you to bless these Delegates present here, give us the spirit of wisdom and understanding of the Constitution. Give us the spirit of courage to change what needs to be changed and give us the courage to need to maintain what we must maintain.

We ask you Lord, open our hearts and minds to be cordial and accept the opinions of each other but also to come to a fruitful judgement in unanimity and also in solidarity. We ask you Lord all these through the power of Jesus Christ our Lord, who lives and reigns through you and the Holy Spirit, one God for ever and ever. Amen.

**Prof. Yash Pal Ghai:** Thank you. Now I call upon Sheikh Ali Shee to lead us in prayers.

**Hon. Delegate Sheikh Ali Shee: (Maombi)** Tuombeni. Yarabi Muumbaji wetu, Mola wetu. Sisi ni wanyonge mbele yako, viumbe vyako ambao tunakutegemea wewe, tunategemea nguvu zako na kuungwa mkono na wewe. Ewe Mola, tubariki sisi sote tulioko hapa ambao tumekutana kwa lengo la kuangalia maslahi ya viumbe vyako walioko katika nchi hii ya Kenya. Mola, wabariki wananchi wetu wote na uwape busara wakilishi wao walioko hapa ambao wamekuja kuangalia maslahi yao, kuangalia jambo la Katiba ambalo litachunga haki na uadilifu na kuangalia maendeleo ya nchi hii yako. Ewe Mola tunakuomba hatuna mwingine isipokuwa ni wewe, tupe busara nyingi, tupe akili, tupe uvumilivu, tupe subira tuweze kuvumiliana na tuweze kustahimiliana na tuweze kufanya kazi pasi na kuchoka. Rabi tunakuomba, hatuna mwingine utubariki. Amin.

**Prof. Yash Pal Ghai:** Thank you. I will now call upon Mrs. Kamla Sikand to say prayers.

**Mrs. Kamla Sikand: (Prayer).** God we thank you for giving us this day today. God we ask your continued blessings as we are gathered here to give Kenya a new Constitution. God, give us the wisdom and give us the power to think for the country that we may think for the future, and not think of ourselves today: We want this Constitution to be for our children's children, for the future of this country. Let us forget our selfish aims today. Let us see that this document is for the country for a long, long time. We thank you God for giving us wisdom through the Chairman and the Commissioners who have produced a beautiful draft for us. God, we thank you again and ask for your blessings for all of us. Thank you.

**Prof. Yash Pal Ghai:** Thank you. Finally, we will have traditional prayers. May I invite Ole Kurun.

**Ole Kurun: (Traditional prayers)** .....*Maasai Dialect.* Nakuomba kwa jina la Baba, la Mwana na Roho Mtakatifu. Amina. (*Laughter by Honourable Delegates*)

**Prof. Yash Pal Ghai:** Honourable Delegates, the primary purpose of this session today is to swear in the members of the Conference. I remember we were all here together in October just on the verge of being sworn in when Parliament was dissolved. I am reminded of this may not be entirely a true story but it has been widely circulated so it must be true---. That Winston Churchill at that time a Member of Parliament in Britain was making a speech in Westminster when the Germans dropped a bomb which fell very near the Houses of Parliament. As a result Churchill had to stop, members had to be rushed out and to security and then when the war ended a few years later Churchill came back to the House and said, "as I was saying when I was so rudely interrupted" and continued the speech after so many years.

I have a similar sort of feeling, I hope this is the last interruption, the one in October that we had, and that we will be allowed to continue with our work smoothly until we have concluded the swearing in by the Secretary of the Commission Mr. Patrick Lumumba swearing me in and once I have been sworn in I will swear in all of you. We will swear you in batches of 50 members, to do individual swearing in will take up many hours. In your documents you should have an oath

or affirmation and once you have taken your oath or have affirmed, you will fill that form and we will tell you how you deliver that form to the Secretariat.

We have here all the religious books that we need for today, that is the Holy Bible, the Holy Quran and the Holy Baquatgita and so people of all these different religions can swear their oath according to their religious rights. I will now therefore ask Mr. Lumumba to swear me in and then I will proceed with the swearing in of others.

“I, **Yash Pal Ghai**, being appointed a Delegate to the National Constitutional Conference under the Constitution of Kenya Review Commission Act, do solemnly swear that I will faithfully and fully, impartially and to the best of my ability, discharge the trust and perform the functions and exercise the powers devolved upon me by virtue of this appointment without fear, favour, bias, affection, ill will or prejudice and to the end that in the exercise of the functions and powers as such a delegate, I shall at all times be guided by the national interest. So help me God”.  
*(Honourable Delegates clapping)*

**P L O Lumumba:** I will now with the permission of the Chair call out the first 50 names, and I will call out the names, those who want to take the oath will sit after the oath has been read out and those who want to affirm will remain standing.

Mr. Chairman, that is the final list.

**Prof. Yash Pal Ghai:** Will you please all stand and raise your right hand and say, “I” and your names.

**Hon. Delegates:** I, ....., being appointed a Delegate to the National Constitutional Conference under the Constitution of Kenya Review Commission Act, do solemnly swear that I will faithfully and fully, impartially and to the best of my ability, discharge the trust and perform the functions and exercise the powers devolving upon me by virtue of this

**P L O Lumumba:** Mr. Chairman,

that is the full list of Delegates. You are kindly requested to go to my left side and then Delegates are requested to assemble before the Chair says the final word during this session. In the intervening period and with his permission the following announcements will be made:

Number one, Commissioners are humbly requested to assemble outside the auditorium for a short meeting.

Number two, we are requesting the Delegates who are housed by the Commission that you will be guided to attend where all the accommodation hiccups will be dealt with. We take this early opportunity to note that there were a little hiccups and those will be cleared this morning and we also wish to announce that you have been supplied with an amended programme and on a daily basis; our proceedings will be based on a daily Order Paper which you will find on your desk everyday.

Ladies and Gentlemen, other issues relating to administration will be made known to you including the collection of badges. The Chairman will speak to tomorrow's programme. Thank you very much and may God bless you.

An announcement: Delegates representing political parties, you are requested to assemble outside the auditorium after the Chairman has formally closed this session. So for the moment we ask all Delegates to assemble so that the Chairman can formally bring this session to an end. Thank you very much.

**Prof. Yash Pal Ghai:** I urge you all to be seated shortly before nine, he will speak after entertainment offered by various groups and we expect that the morning ceremony will end at around noon. In the afternoon we expect to discuss the rules of procedure but as the Secretary

has said a more detailed programme will be provided tomorrow morning on your desks but it is very important that you are here on time since His Excellency will be speaking and arriving himself at 9.00 o'clock.

Those Delegates who have not received their badges or their documentation will do so shortly, there are ushers outside who will take you to the tent where you will obtain these. So please identify yourselves if you do not have a badge or do not have the documentation. I hope that you will throughout this Conference remember the oath and the affirmation that you have taken today and that all your actions and decisions will be taken in the national interest. I may have occasion to remind you of your oath later on but at this stage I just want to say, please act in the spirit of the oath and the affirmation that we have all taken today.

With that I want to adjourn the meeting until tomorrow 9.00 o'clock. I believe lunch will be served shortly in the usual place, I am sure I will see you around the premises later today but otherwise I look forward to seeing tomorrow morning. Goodbye.

## **AFTERNOON SESSION**

Some Delegates could not be with us this morning as they had another meeting. They have now arrived and it is proposed to swear them in as Delegates and therefore for this purpose I am convening the assembly for the sole purpose of swearing in the members who were not sworn in this morning. As we did this morning the Secretary will read the names of the Delegates about to take the oath or affirmation and then I will ask them to stand, raise their right hand and repeat the oath after me.

If there is any member who wishes to affirm other than to make an oath then we can do that after the oath has been sworn in. So I am going to ask the Secretary to read the names of Delegates who are being sworn now and if there is a member in this hall whose name will not be read out but who has not been sworn in, please come and maybe stand up and let us know so that we can add your name and you can also be sworn in at the same time.

So I will ask the Secretary to read the list of names.

**P L O Lumumba:** The Chair's permission permit me to read the names and as I read you will stand and when the Chairman is administering the oath you will raise your right hand or left hand and take the oath.
